Empowering Youth to Serve Christ in the City

Application for Returning Staff

Dear Staff,

First of all, thank you for your service to Camp Deerpark. By working at Camp you have made a difference in the lives of campers. I'm glad that you are interested in coming back for another summer at Camp Deerpark.

As you apply, keep in mind that you are different from last summer. Hopefully you have grown closer to Christ, matured, and developed new skills. Having previously worked at Camp Deerpark does not guarantee a position, but it really helps! As I make the hiring decisions I take into consideration not only the issues in the past but also the potential you may have to move into a new position.

To increase your chances of being hired please complete the application process as soon as possible. A completed application consists of the following form and an interview (either in person or over the phone). **Please have both completed by April 1st.** We will contact you regarding our decision to hire or not hire you in early April. If for your own planning purposes you need our decision earlier, please let us know and we can work something out.

In Him,
 Zachary Garber
