Summer Camper Reservation Form

Send registrations to:
Camp Deerpark
PO Box 394
Westbrookville, NY 12785

Use this form to reserve spaces in the camp program for the youth from your church

Why reserve?
In allowing churches to reserve spaces, Camp Deerpark hopes to: include more campers in the program, allow churches to take advantage of early registration discounts, allow flexibility within the church, and maximize efficiency and planning at camp

How it works:
Churches reserve spots at a discounted rate by paying in advance. To reserve a spot the church must provide camp with the following: payment, the age of the child, the gender of the child, and the specific week/camp the child will be attending.

Details:
Refunds: Full refunds will be given up to and on June 18th 2009. After June 18th refunds and transfers will not be given.
Changes: If, for any reason, a church needs to make changes (age, week/camp, gender) to the spot they have reserved: they will receive a full refund (if on or before June 18th), and will then be able to reserve another spot (if available) by paying the current price.
Paper work: All paper work, including a registration form and physician form for each camper must be submitted no later than one week before the start of camp
